NEHA Family Camp Attendees,

Welcome to our 32nd Annual Family Camp! We are thrilled to welcome you – or welcome you back – **to a place that is so special to our Wicked Strong Family.**

The mission of Family Camp is to build knowledge, self-care, and community in a supportive, safe, and engaging environment. Whether you are a parent, patient, grandparent, sibling or friend, we hope camp allows you to learn and grow. I encourage you to expand your comfort zone, introduce yourself to a family you have never met before, and challenge yourself to try something new. Be sure to make time to experience camp from different angles – the view from the waterfront, the wonder of a camper participating in their first campfire, and the role modeling of counselors to kids.

This is an exciting time for the bleeding disorders community with therapies continuing to evolve and more advancement on the horizon. In this spirit, we hope our camp theme, **“Jurassic Journey: Your Adventure Awaits,”** inspires growth within your family and a deeper understanding of the progress being made for our community. Every single element we’ve planned at camp is intentional. From the theme and how we welcome families, to educational sessions, color group rotations and the songs we sing at campfires. We hope you leave feeling a renewed sense of support and accomplishment.

Camp can be an extremely rewarding and emotionally intense experience. People will be sharing their personal journeys about how living with a bleeding disorder impacts their lives and their family. Join these conversations, add your voice, and be an advocate. I hope this experience will help you learn, process, and thrive. **The more you put into Family Camp, the more you’ll get out of it.**

We look forward to hearing stories about how camp has impacted you. Welcome to Family Camp!

Sarah Shinkman
NEHA Program Director

GROUND RULES FOR CAMP

- Lifejackets **must** be worn at all waterfront activities except swimming. Lifejackets will be provided for boating activities.
- A lifeguard **must** be present for all waterfront activities.
- Children under 18 **must** be accompanied by their parent or guardian for all waterfront activities.
- Fishing is only permitted at second and third beach. You may not fish at the waterfront, where people swim. If you wish to go fishing, please contact the Program Director to make arrangements on a time and location with Geneva Point Center. **Be advised that anyone over the age of 16 who wishes to fish will need a license from NH.** Licenses may be obtained online; ask a NEHA staff member to print it for you.
- Campfires may not be started without permission from Geneva Point. If you wish to have a campfire, please contact the Program Director.
- **Do not** bring real or toy weapons such as knives, guns, etc.
- If you bring a bike, you **must** wear a helmet. It is also **recommended** that you wear elbow and knee pads due to the rough terrain. **Bike riding is not permitted after dark.**
- Scooters, skateboards, and roller blades are **not** allowed at Camp.
- Pets are **not** allowed at Camp, unless they are service animals.
- The electrical systems inside cabins are not equipped to support many electrics that generate heat. Please do not use appliances such as blow dryers, curling irons, hair straighteners, toasters, mini refrigerators, coffee makers, microwave ovens, air conditioners, etc.
- All participants must remain in supervised areas and participate in supervised and approved activities **at all times.**
- Parents/guardians may, at no time, leave the camp premises without their child/children unless a spouse, parent, or other legal guardian remains behind to take responsibility for their child/children.
- Anyone under the age of 16 should not be in a golf cart unless it is an emergency or they have made arrangements ahead of time with NEHA staff.
- Quiet and courtesy time begins at 10 PM each evening.

NEHA Family Camp is a drug, marijuana and alcohol free environment. Alcoholic beverages, marijuana, and other illegal drugs are not allowed. Smoking tobacco is not permitted on campgrounds with campers present and is only permissible in places designated by Geneva Point Center. Disregard for this policy may constitute grounds for dismissal.

BIG STICK AWARD

Family Camp is often synonymous with earning a “Big Stick Award”. This term refers to when a person with a bleeding disorder successfully finds a vein, administers saline, and gets a blood return for the first time at camp. Earning a Big Stick is a camp tradition that commemorates this major milestone and step towards independence for those who infuse. Individuals work towards their big stick award during infusion class. Our medical team may also be able to schedule separate appointments to work closer with kids who need more support; please inquire with them about availability. Certificates are also given to individuals who work towards infusion during camp. The last chance to try for your Big Stick is on Friday at 2 PM. The award ceremony takes place on Friday at 5 PM.

NEHA is grateful to the **Geneva Point Center** staff. All the hard work, diligence, welcoming smiles and patience is appreciated!

An extra special thank you goes to **Jill DeVirgilio, NEHA's Office & Operations Manager**, who has spent the past eleven years working hard behind the scenes to help us prepare and pack for camp each year. Jill is retiring this summer, and we are so thankful for all she has done for camp and our entire community.
